IMPORTANT Please supplement the above rating with a typewritten summary statement below. Return this sheet directly to Career Planning & Placement (J-204).

My association with Mickey was through his involvement with the Baseball Club and his participation in the intramural and open recreation programs. He has a very pleasant personality, often willing to volunteer his time for projects within the Office of Athletics and Recreation. It is my opinion that he would definitely be an asset in a position working with the public.
