IMPORTANT Please supplement the above rating with a typewritten summary statement below. Return this sheet directly to Career Planning & Placement (J-204).

I have known Mickey Keats for a number of years. He has lived in Campus Housing during this time period. I feel Mr. Keats is a very mature person. He is neat and clean. He always obeyed the Housing rules and regulations. He was helpful to my staff when neighborhood problems needed a friendly voice. He shows maturity, he can think independently and has always been well liked by fellow residents. I would certainly consider Mr. Keats a cut above the average college student in his appearance and the way he carries himself.
